

Sensei Tommy Morris 2019

Term 3 each year, Sensei Tommy Morris (8th dan) and his son Sensei Steven Morris (7th dan) come to Australia and conduct a training course and grading for the members of Blackburn Karate Club. Sensei Tommy is one of the most knowledgeable and sought after karate masters in the world and we are lucky enough to have him as our Sensei. Sensei Steven is a 15 time British Karate champion and also a much sought after coach. It is a chance for all students to train with two of the greats and also a chance for them to see that we are all working hard and maintaining the highest possible standards. As was the case last year, we will run the course on Friday night and the Grading on Saturday morning.

This includes the course fee, grading fee, new belt and international grading certificate. For Young Warrior brown belts who are grading, the cost is \$140.00.

It costs a lot of money to bring such high quality instructors to Australia. Therefore the course and grading are a package deal. All those wishing to grade must attend the course. No exceptions. This also means there are no provisions for alternate grading days this time around. If you cannot make both days then you will have to wait until December. I hope you all understand and agree it is a very worthwhile part of the kids development.
